

HOW TO...

CREATE A GOOGLE PROFILE

1. Open the google chrome browser and go to [google.com](https://www.google.com)
2. Click on the blue "Sign In" button in the top right hand corner.

2b. Or click your icon in the right corner and click, "+ Add."

3. Enter the student's email account:

_____ @charihochargers.org

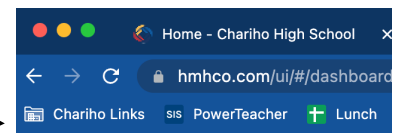

First 4 letters of first name, First letter of middle name, First 4 letters of last name

4. Enter the student's password. Contact their teacher if your child forgets their password.

ACCESSING CHARIHO LINKS - INTO READING

1. Look for the "Chariho Links" folder on the left side of your bookmarks bar.

*make sure your bookmark bar is not hidden.

2. "Into Reading" is the last link on the bottom. Click on it to open the reading program.

If all else fails, use this link: <https://bit.ly/3gLx1Sd>

ACCESSING CHARIHO LINKS - IREADY MATH

1. In your browser, go to "[google.com](https://www.google.com)."
2. Find the "waffle" (the square of nine dots) in the top right corner. ~ it is pictured to the right.
3. After clicking on the "waffle," scroll down to the bottom to find i-Ready.
- 3b. If you don't see i-Ready, you will have to click on "Drive" first (scroll back up to the top of your "waffle").
4. Once in your drive, click on the "waffle" again. I-Ready should now appear at the bottom. (scroll down if needed)

If all else fails, use this link: <https://bit.ly/3gLx1Sd>
