

ASHAWAY SCHOOL LEASE

THIS LEASE, is made and entered as of the 17th day of June, 2025, by and between The Town of Hopkinton, Rhode Island, (hereinafter, the "Town"), and the Chariho Regional School District (hereinafter, "Chariho").

WHEREAS, Chariho is a body corporate and politic created by the General Assembly of the State of Rhode Island (P.L. 1958, Ch. 55, as amended; hereinafter, the "Chariho Act"); and

WHEREAS, pursuant to Section 2.(5) of the Chariho Act, Chariho is authorized to lease from the respective towns, Charlestown, Richmond and Hopkinton, for the sum of \$1.00 per year, existing school buildings and the land upon which they are sited which were, at the effective date of the Chariho Act, owned by the respective towns; and

WHEREAS, said Section 2.(5) of the Chariho Act also provides that said towns shall retain title to said buildings and land, and that Chariho will assume and pay for all maintenance, upkeep and operation of the buildings leased by it from the respective towns; and

WHEREAS, the Town and Chariho entered into a lease entitled "ASHAWAY SCHOOL LEASE" dated October 1, 1998, and thereafter a re-negotiated successor lease effective January 1, 2007 (the "2007 Lease"); and

WHEREAS, the reason that the lease was re-negotiated on or about January 1, 2007 was that Chariho had indicated to the Town that it had ceased to use a structure known as the "1904 School Building" for educational purposes due to its deteriorating condition and desired to return control of that building to the Town; and

WHEREAS, the 1904 School Building had significant historical, cultural, and sentimental value to the Town and many of its residents who had been educated therein; and

WHEREAS, the 1904 School Building remained in a vacant and deteriorating condition for many years following the re-negotiation of the lease and was subsequently deemed to be a safety hazard; and

WHEREAS, it was unfortunately determined that there were no feasible alternatives to the demolition of the 1904 School Building; and

WHEREAS, in 2023, the Town secured a grant from the federal government through the auspices of Senator Reed and Senator Whitehouse to demolish and memorialize the 1904 School Building and has since accomplished that demolition work; and

WHEREAS, the document attached to this Lease as Exhibit A depicts the location where the 1904 School Building formerly stood; and

WHEREAS, Chariho is most appreciative that the Town secured the grant and accomplished the demolition work; and

WHEREAS, on or about August 23, 2023, the Town entered into a Memorandum of Agreement with the Rhode Island Historical Preservation and Heritage Commission ("State Commission") titled "Regarding the Demolition of 12A Hillside Avenue, Hopkinton, Rhode Island" ("MOA"), a copy of which is attached to this Lease as Exhibit B, pursuant to which the State Commission permitted the demolition of the 1904 School Building subject to the requirement that the Town "prepare, furnish, and install an interpretative panel, plaque, display, installation, or combination thereof explaining and/or depicting the history of the former Ashaway School and its role within the Town" and that this "interpretive display shall be placed on or within the subject property ... within two years of the execution of [the] MOA"; and

WHEREAS, the Town has developed plans to memorialize the 1904 Building as required by the MOA by installing a commemorative plaque, an approximate rendering of which is shown in the document attached hereto as Exhibit C (the "Memorial"); and

WHEREAS, the Town intends that the commemorative plaque shall be installed at or near the "Bell & Concrete Monument" depicted on the post-demolition site plan attached hereto as Exhibit D; and

WHEREAS, the Town and Chariho have agreed to enter into a new Lease with terms and conditions extinguishing the 2007 Lease under which Chariho shall lease from the Town "existing school buildings and the land upon which they are sited" in a manner which the parties mutually agree will most prudently, fairly and economically balance the respective obligations and resources of the Town and Chariho; recognize and respect the work of the Town in wishing to memorialize the historic, cultural, and sentimental value of the former 1904 School Building; and that will adequately satisfy the conditions imposed by the State Commission in connection with the demolition.

NOW, THEREFORE, for and in consideration of the rents, mutual covenants, and agreements hereinafter set forth, the parties hereto do hereby mutually agree as follows:
